Job Portals	LinkedIn, Naukri, Indeed
Campus Recruitment	Tier-1 and Tier-2 colleges
Recruitment Agencies	For senior and niche roles only

4. Selection Process

Stage 1: Resume Screening

HR screens resumes against the Job Description. Candidates not meeting minimum qualifications are rejected.

Stage 2: HR Screening Call (20 to 30 minutes)

HR assesses cultural fit, communication skills, notice period, and salary expectations.

Stage 3: Technical Assessment

Role-specific test - coding test, case study, or portfolio review. Minimum passing score is 70%.

Stage 4: Technical Interview (1 to 2 rounds)

Panel assesses domain knowledge, problem-solving, and hands-on skills.

Stage 5: Managerial Interview

Hiring manager evaluates leadership potential, ownership mindset, and team fit.

Stage 6: HR Final Round

Covers behavioural competencies, career goals, and company values alignment.

Stage 7: Background Verification

Employment history, education credentials, and criminal record check by a third-party agency.

5. Offer & Onboarding

- Offer letter issued within 3 working days of final approval.
- Offer valid for 7 days; extension on written request only.
- Pre-joining kit sent 2 weeks before start date.
- Day 1 induction covers company overview, IT setup, HR policies, and team introduction.
- Probation period: 6 months for all new hires.

6. Diversity & Inclusion

TechCorp is an equal opportunity employer. All selection decisions are based solely on qualifications, skills, and merit. Discrimination on any basis is strictly prohibited.
