

Performance Review Policy

Annual & Mid-Year Review Framework, Rating Scale & Feedback Process

Department:	Human Resources & All Departments
Effective Date:	January 1, 2025
Version:	v2.2
Approved By:	CHRO & Management Committee
Classification:	Internal - Confidential

1. Purpose

The Performance Review Process at TechCorp evaluates employee contributions, provides structured feedback, identifies development opportunities, and links performance to compensation decisions.

2. Review Calendar

Review Type	Period
Annual Appraisal	January 1 to December 31, reviewed in January
Mid-Year Check-In	July, informal and development-focused
Probation Review	End of month 3 and month 6 of employment
PIP Review	Monthly during a Performance Improvement Plan

3. Performance Rating Scale

Rating	Label & Description
5 - Outstanding	Consistently exceeds all goals; role model for team
4 - Exceeds Expectations	Frequently surpasses targets; shows leadership
3 - Meets Expectations	Achieves all goals; reliable and consistent
2 - Needs Improvement	Partially meets goals; requires development support
1 - Unsatisfactory	Fails to meet minimum requirements; PIP initiated

4. Key Performance Areas (KPA's)

- Goal Achievement: Delivery of agreed OKRs and KPIs. Weightage: 40%.
- Quality of Work: Accuracy, innovation, and attention to detail. Weightage: 20%.
- Collaboration and Teamwork: Cross-functional cooperation. Weightage: 15%.
- Learning and Development: Upskilling and knowledge sharing. Weightage: 15%.
- Leadership and Initiative: Ownership and proactive problem-solving. Weightage: 10%.

5. Review Process

Step 1: Employee Self-Assessment

Employee completes a self-assessment on HRMS, rating themselves on each KPA with evidence. Due:

January 10.

Step 2: Manager Assessment

Direct manager reviews the self-assessment and completes an independent rating. Due: January 20.

Step 3: Calibration Session

Department heads and HR align ratings across teams for consistency. Due: January 25.

Step 4: Feedback Conversation

Manager meets employee for a 1-on-1 discussion on strengths, areas of improvement, and career goals.
Due: January 31.

Step 5: Final Rating & Increment

HR Director approves final ratings. Salary increments communicated by March 15.

6. Performance Improvement Plan (PIP)

Employees rated 1 or 2 consecutively for two review periods are placed on a PIP.

- Duration: 60 to 90 days with clear, measurable goals.
- Weekly progress reviews with manager and HR.
- Successful completion: Employee returned to standard performance track.
- Unsuccessful completion: Employment may be terminated.
